

Grove-Valley Boy Gridders in Showdown For Annual Mother Goose Classic Berth

Plagued by the loss of two fullbacks, the Los Toros Pop Warner Midget Roadrunners place their post-season bowl hopes on the line Saturday at 12 noon against South Bay in a game scheduled for Aztec Bowl.

Coach Shorty Bannister's Midgets, a team comprised of boys from the Lemon Grove and Spring Valley area, will take an unblemished record into the showdown contest. The local Roadrunners have been winners in all seven of their youth football games this season, compared to South Bay's record of 6-0-1.

Winner of Saturday's clash earns the right to represent San Diego County Pop Warner Football in the annual Mother Goose Bowl on Thanksgiving in El Cajon.

Bannister will try to offset the loss of his fullbacks, headed by first-stringer Alex Rios to pick up eight and ten yards

and back-up man Terry Klusman, with a swift outside attack spearheaded by talented young quarterback Tim Miller.

"This is the first time this has ever happened to me — losing two fullbacks at the same time," exclaimed Bannister, a veteran of seven years at the helm of Los Toros teams. "In losing our two fullbacks we lose the two key men in our attack."

Bannister explained his fullback situation and how it affects his entire ballclub in this manner:

"We have two of the fastest halfbacks around in Jim Reese and Bob Szalay. We like to run them outside and counter with our strong-running fullbacks up the middle to keep the defense honest. By running our halfbacks outside, our fullbacks have been able to pick up eight and ten yards

a shot up the middle.

Our last two games have been close ones because our opponents know we have lost our fullbacks and will have trouble running inside. So they bunch up their defense to stop our outside game.

I have been forced to take one of my offensive tackles and switch him to the fullback slot. The move has affected our entire backfield, throwing off our timing, and causing mix-ups in our backfield. Mike Hampton will be our fullback for the South Bay game. I had to take the smartest and the quickest boy I had. I need someone who will learn fast. You figure we had six to eight weeks to work with our original fullbacks, before we were working well together. Now I have only two weeks with a boy who has never played the position before."

Los Toros pushed aside a possible scare from East San Diego last Saturday, with quarterback Miller scoring the winning touchdown on a keeper in a 12-6 victory. The Roadrunners' margin of victory the week before was only one touchdown. In the East

San Diego game, a recovered fumble in the endzone provided the locals with a six-point lead. Carl Lehw and Art Shurley fell on a fumble for the score.

Bannister is contented with his team's progress to this point in the season and praised his team for its ability to win despite being one of the smallest midget teams in the county.

"We field a small midget team, but a fast one," appraised Bannister. "We have both passing quickness and running quickness."

According to the Roadrunner mentor, his team will face a very good South Bay eleven. "They have one boy named Sablan who is going to be hard to stop," assessed Bannister.

"We were a little surprised with the selection of Aztec Bowl as the neutral site for the game," stated Bannister. "But I don't believe it will have much of a bearing on the game. We rely on speed, so if the grass is short and dry, we'll be in good shape."

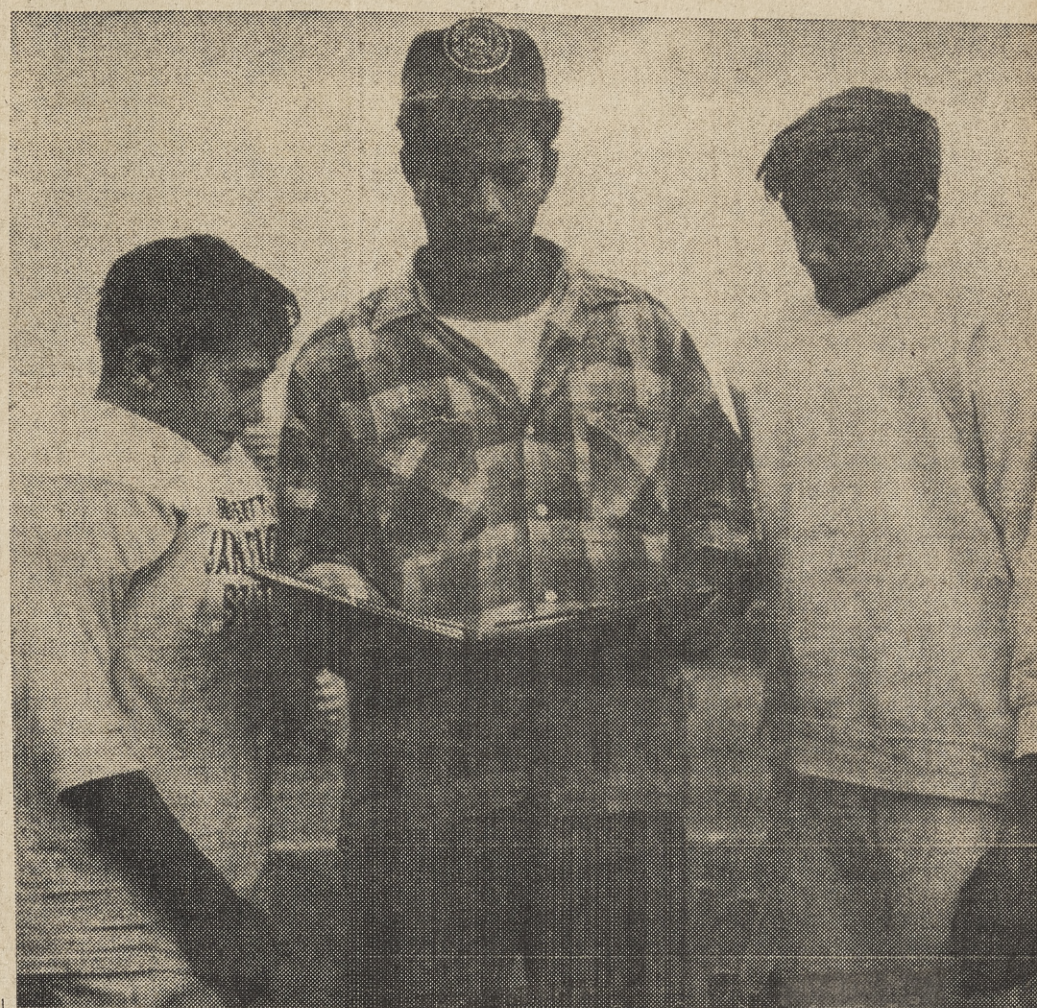

Probable offensive starters for the Roadrunners will fea-

ture Jim Long, left end, Phil Stevenson, left tackle, Art Shurley, left guard, Mark Dobransky, center, Carl Lehw, right guard, Larry Peretti, right tackle, Terry Turner, right end, Miller, quarterback, Szalay and Reese, halfbacks, Hampton, fullback, and Frank Sosa, slotback.

Bannister indicated that there may be some changes in his defense, but boys likely to see action include linemen Steve Vasquez, Mike Stevens, Don McIntire, Mark McMillen and Bob Laxson. Backing up the front wall will be linebacks Lehw and Shurley and Jim Minor, with Miller and Reese as deep backs.

Besides the possible trip to the Mother Goose Bowl, the Midgets will be traveling out-of-town for two post-season clashes. Garden Grove will be the site of a Nov. 11 game, while the team has also received an invitation to play the Arizona State champs in Phoenix, on Dec. 12.

Los Toros Pop Warner has never had a team in the Mother Goose Classic. Coach Bannister and the area boys would like to change that.

THE GAME PLAN: Coach Rod Rodriguez of the Los Toros Pop Warner Midgets goes over blocking assignments with offensive linemen Art Shurley, left and Larry Peretti, right, during this week's practice session. The local youths are preparing for their showdown battle with South Bay this weekend. Winner of the clash earns the right to represent San Diego in the Mother Goose Bowl in El Cajon on Thanksgiving.

Check List of Democracy

A check-list has been submitted — under the sponsorship of a Republican, of course — by which readers may measure the efficacy of current corps of governmental leaders.

If the reader wants to add more questions to the check-list, he may be our guest.

Some of those suggested in the original form are the problems we face right now. For instance:

	Yes	No
Have our people been told the truth about Viet Nam?		
Have we curbed inflation?		
Has our balance of payments improved?		
Have we had peace most of the time?		
Have we reduced nondefense spending?		
Have the billions we have given away abroad improved our prestige at home?		
Have we less federal control?		
Have we fewer federal employees?		
Have our programs of war on poverty, Medicare, etc. lived up to the Administration's promises?		
Is there less hatred among those of different race, color, and creed?		
Is there a greater regard for law and order?		
Have we handled riots, violence, and public disturbances well?		
Have we curbed monopolistic powers of the unions?		
Do people have the same respect and admiration for our Supreme Court that they had 20 years ago?		
Have we kept well ahead of the Soviets and others in space?		
Do we have enough teachers and doctors?		
Can we look for tax reductions?		
Have our educational programs kept up with our growth in population?		
Check your score. It might be one test on which you get 100%.		

MY GOD, How Can It Be?

Joe Holmes, operator of a San Diego publishing firm which produces **DISPATCH**, a publication for Navy personnel, wrote a stirring editorial the other day.

A touching, frustrating piece it is. It is maddening to think about because it reminds us that there are those who subvert our Constitutional Freedoms to create decay in the moral fibre of less strong Americans.

His editorial:

MY GOD, how can it be,
That one boy lies rotting of malnutrition and torture in a prison camp in North Vietnam
—and another boy spits and tramples on the flag of this country on the steps of a university of learning
That one boy lies sightless in a U.S. Naval Hospital from communist-inflicted face wounds
—and another boy uses a communist flag to drape himself in defiance of the laws of this country
That one man of medicine begins his thirtieth straight hour standing over an operating table in pursuit of life for men serving this country
—and another man of medicine implores crowds of young men to refuse to serve their country
That one Negro holds the head of his dead white comrade in his arms and cries pitifully in a dirty mud hole in Vietnam
—and another Negro screams with hate against his white brother on the streets in countless American cities
That one boy lies in a coffin beneath the ground because he believed in duty to country
—and another boy lies on a dingy cot giving blood to the enemies of his country
That one man of God shields a wounded boy from an enemy bayonet with his body and dies
—and another man of God uses his cloth as a shield to preach hate, dissension and lawlessness.
MY GO, how can it be?

Kiwanis SOS

Neck High In Apples

Local Kiwanis youth projects are about to be smothered in a sea of lagging apple sales. As a result, a plea for residents to buy apples from members of the Lemon Grove Kiwanis club was made today by Kiwanis president Ed Purtzer.

The club, which raises funds for its children's projects have 156 boxes of Washington Delicious apples yet to sell. The club normally raises about \$1,500 a year for local projects by selling apples each year. The club buys a carload — 850 boxes.

"We're up to our neck in apples. These boxes represent our entire project profit,"

Purtzer said. Apples sell for \$8 for a box of 100, or 10c an apple when bought singly.

Apples may be obtained at the office of the Lemon Grove Review.

They will be delivered if the purchaser phones Purtzer at 466-9620.

HEARING AIDE?: Lemon Grove branch Bank of America girls may be setting a new fashion with United Crusade Fair Share pins attached to their ears, as evidenced by J. Boggess, left, and Sandy Fitro. Volunteer leaders of the countywide United Crusade are asking Fair Share contributors to wear the pins on clothing, but the idea of earrings is strictly original with the local gals. Since pierced ear lobes are necessary, the fad may be limited somewhat.

El Cajon Women Back Grossmont Hospital Bond

El Cajon Woman's Club became the second major organization in the area to formally endorse the proposed \$8 million Grossmont Hospital bond issue. Three weeks ago the La Mesa Chamber of Commerce put its stamp of approval on the issue.

"We are convinced of the urgent need for the proposed expansion at Grossmont Hospital. We are asking all of our members to vote yes Nov. 28. Our community cannot be without adequate hospital service," Mrs. Russel Stockwell, Woman's Club legislative chairman, said.

Campaign headquarters also announced the appointment of Mrs. C. C. Campbell, Grossmont Hospital Auxiliary president.

The mother is Mrs. Glenn Woosley. Her phone is 469-0263. She positively will not attempt prosecution, she said.

Dr. Van Zele in Washington For Italian Air Decoration

Dr. V. Van Zele, a retired dentist of 8302 Golden ave., Lemon Grove, is in Washington, D.C. this week to accept honors from the Italian government for serving as a pilot of the Italian Air Force during WWI.

The Italian Government, through His Excellency, the Italian Minister, and Ambassador Egidio Ortona, will honor Dr. Van Zele and a small group of other American military pilots who were attached to Italian Air Corps at that time.

A reception is planned for tonight at the Italian Embassy where the former pilots will meet with current representatives of U.S. and Italian Air Forces.

Americans being honored are those who flew the Italian tri-motor Caproni bombers. These men were the first Americans to fly multi-motored military planes.

The Caproni Museum at Milan has prepared special commemorative medals which will be presented to each of the former pilots by Count Giovanni Caproni di Taliedo, son of the man who built the planes. The presentation will take place on Saturday, at the Smithsonian Institute.

Dent in Vice Slot

The San Diego County Board of Supervisors Tuesday elected Supervisor Henry A. Boney Chairman of the Board of 1968.

Boney, who was elected to the Board of Supervisors in 1964, is a former grocery store chain president and civic leader. During his three years on the Board, Boney has been active in the creation of the San Diego County Flood Control District, the expansion of the county park system and was instrumental in obtaining a state medical-correction facility for San Diego County.

Known best for his economy efforts, Boney said he was "pleased and grateful for the vote of confidence" by his fellow Board Members and announced that he would "continue to strive for greater economy and a reduction in spending at the county level of government."

Boney was also appointed by the Board of Directors of the County Supervisors Association of California. In a related action Supervisor Robert C. Dent was elected Vice Chairman of the Board for 1968 and was appointed to serve on the Southern California Regional Association of County Supervisors.

Dent is supervisor of the Lemon Grove-Spring Valley areas.

Count Caproni and his brother Umberto will fly from Milan with four Italian air officers and a representative of the Historical Office of the Air Ministry who will present each American with the gold wings worn by Italian military pilots. This will be a token of appreciation by Italy for those who assisted her in World War I.

There have been two former reunions of the group, both arranged by Fiorello LaGuardia and held in New York while LaGuardia was mayor of that city. LaGuardia was their commanding officer during the year of duty in Italy. Dr. Van Zele has been a resident of Lemon Grove for 35 years. He retired from active dental practice in 1963.

Adam Bible Lesson

"Adam and Fallen Man" is the subject of this week's Bible lesson to be read in all Christian Science churches on Sunday.

The Golden Text is from Isaiah: "Cease ye from man, whose breath is in his nostrils: for wherein is he to be accounted of?"

It is easy to thank someone — husband, wife, mother, father — for something they have done for us. It is harder to thank them for being themselves. With God, too, it is easier to thank Him for blessings and answered prayer, harder to thank Him for being God and being present. Thanking God for being God is worship. The best place to do it is in your Church.

Dear Editor:

We share your pride in the assessment of how Lemon Grove voted overwhelmingly in favor of the Grossmont District High School Bonds, in sharp contrast to the spring returns.

This success is a tribute to you, the excellent coverage afforded us, and to your strong pro support in behalf of the young people and their need for quality education to be continued.

All the members of the Bond Committee express their gratitude and, in addition, I doff my hat to you! This community is indebted to you for many years to come.

Sincerely,
Albert C. Marshall
General Chairman
Citizens for High School Bonds

Dear Editor:

Two items in your October 19 issue prompted this letter: the hospital bond campaign, and the social security notice.

1. Two additional arguments occur to me in promoting a "yes" vote on the Grossmont Hospital bonds. One is that residents of the hospital district have the preference when beds are in short supply; consequently, such persons have a direct personal interest in protecting themselves and their families against the danger of being refused admittance because of no room. Future life and health might well be at stake. The other is that the longer the necessary hospital expansion is delayed, the more it is likely to cost. The \$8 million needed to provide for construction within the next years, probably would be \$10 or \$12 million during the early seventies.

2. Both the street address and telephone number of the social security district office in El Cajon, were missing from the item, and these are needed if one is to take advantage of the available services to which it calls attention. The address is 1075 Main st., El Cajon; and the telephone number is 442-0851.

Cordially yours,
Mary Landesco

Oldest Dry Cleaning Firm Adds Newest Equipment

The oldest dry cleaning operation in the Lemon Grove community recently completed an expansion which added \$15,000 in the newest in cleaning machinery to its plant.

Dutch Cleaners, 7870 Broadway ave., Lemon Grove, operated by the partnership of Bill Vandenberg and Vince Baruchchi, has added four new electronically-controlled machines, purchased from the Engel Dry Cleaning Equipment Corp.

Vandenberg, who originated the business in the same spot

of town in 1947 described the new additions as the most modern dry cleaning equipment on the market.

"This equipment is the best available on the market. Set electronically-controlled set-up gives us perfect results on our clothes-cleaning operation," explained Vandenberg.

The four-machine complex includes a Perk-Cleaner, Much Cooker, Tumbler, and Solvo Miser. A central controlling device mounted on the wall of the building indicates any

abnormalities in the operation immediately so that they may be corrected by the owners.

The Perk-Cleaner handles 60-pound capacity and does the job of filtering the wash cycle. The machine operates on a 4000 constant filter cycle.

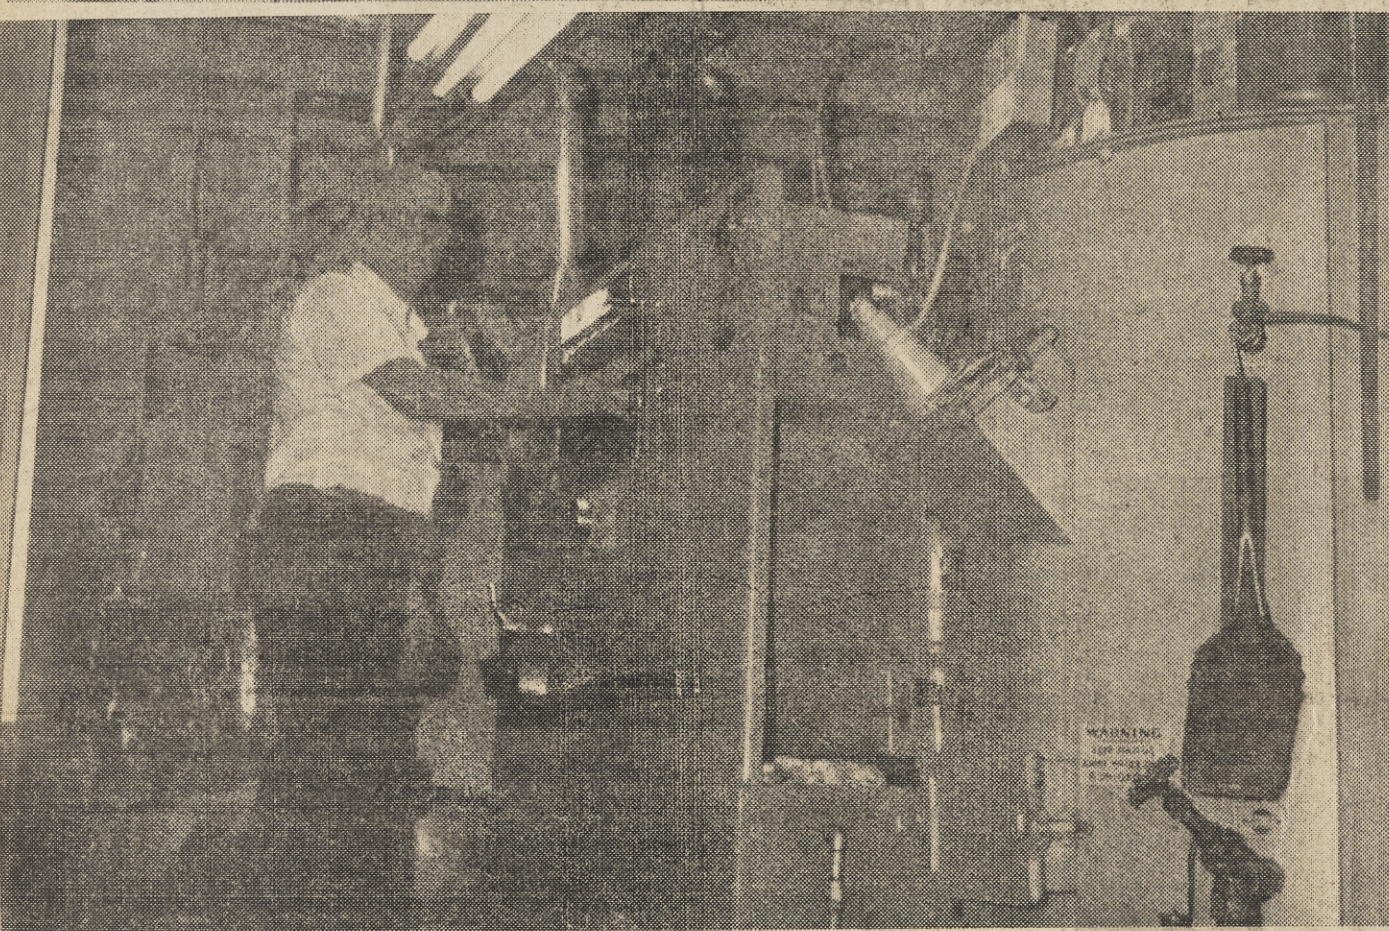

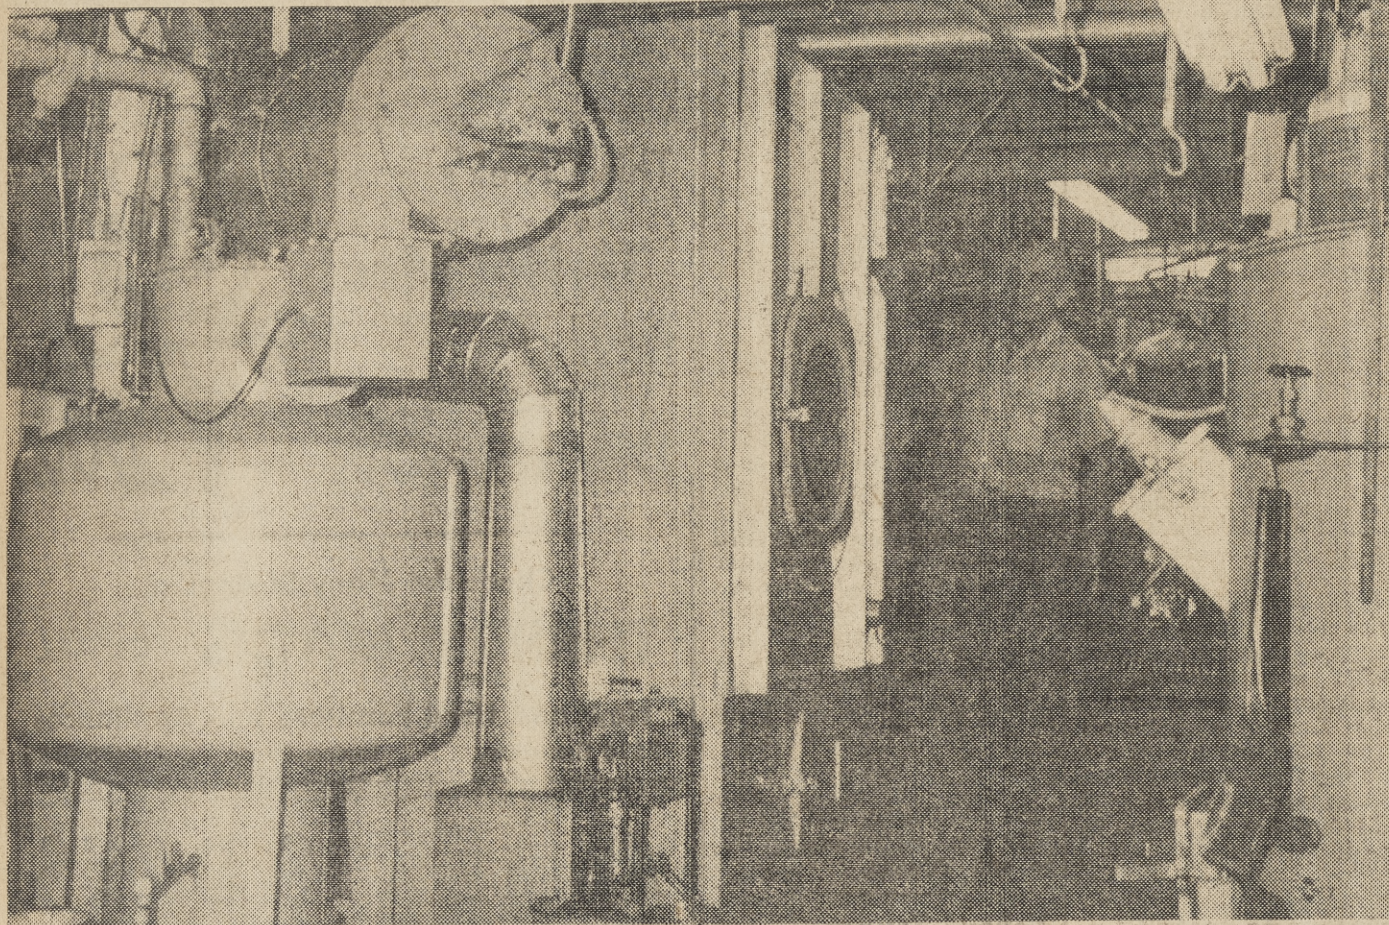

Hooked up to the Perk-Cleaner is the Much Cooker, a distilling device which removes the solvent from the water to enable a more successful cleaning process.

Opposite the above mentioned machines is the 80-pound capacity tumbler, which features heat control and speed control. The tumbler utilizes a process by which it dries and reclaims the solvent used in washing.

Attached to the tumbler is the Solvo Miser which again frees the material of all possible solvent solutions and also guards against the odor of solvent. The Solvo Miser is also the air pollution control device in the mechanical system.

"Eventually it will be a government regulation that dry cleaning operations have some kind of air pollution control device," explained Vandenberg. "We thought we might as well get a head start on the competition."

"The results of all the new cleaning devices is the finest possible cleaning job anywhere," stated Vandenberg.

\$15,000 NEWER: Owners Bill Vandenberg, top photo, and Vince Baruchchi, bottom photo, operate the new dry cleaning equipment which they recently added to their business, Dutch Cleaners, 7870 Broadway ave., Lemon Grove. In top photo, Vandenberg sets controls on the 80-pound capacity

tumbler, with the Solvo Miser standing on the left of the tumbler. In the bottom photo Baruchchi makes ready to unload the 60-pound capacity Perk Cleaner, with the Much Cooker attached to the cleaner on the right.

Learn Spanish the Easy Way

Hardison's Telespanish

by James Hardison

The Spanish word "estar" means "to be" in English. If we say "estar aqui" (to be here) we are identifying location. The word "estoy" is derived from "estar" and means "I am." If we say "Estoy aqui" (I am here), the subject is "I" and we are still identifying location. Thus "estar" may be used in Spanish to identify location.

"Esta" is derived from "estar." We may use "esta" in the phrase "Donde esta al?" (Where is he?), or in the phrase "Donde esta ella?" (Where is she?). A response may be "Ella esta aqui." (She is here).

We may add the letters MOS to "esta" to change the spelling to "estamos" (we are). We could say "Estamos aqui." for "We are here." We may construct the word "estan" by adding the letter N to "esta." The word "estan" may be used in the expression "Ellos estan aqui." (They are here).

The word "esta" may be used in greeting a Spanish speaking friend. An expression like "Como esta usted?" (How are you?) is a good example. If you wish to greet many friends at the same

time, you must change "esta" to "estan" and say "Como estan ustedes?" (How are you?).

The practice phrases in today's lesson demonstrate the various ways we may use the verb "estar." Some phrases contain the singular forms "estoy" and "esta." Others use the plural forms "estamos" and "estan." See how quickly you can learn these phrases when you dial 276-2762 and say them with the recorded voice.

IMPORTANT PHRASES
Say "Donde esta el?" (DOHN-deh eh-STAH eh) for "Where is he?"
Say "Donde estan ellos?" (DOHN-deh eh-STAHN eh-yohs) for "Where are they?"

USEFUL PHRASES
Say "Yo estoy aqui?" (yoh eh-STOH-ee ah-KEE) for "I am here."
Say "Nosotros estamos en casa." (noh-SOH-trohs eh-STAH-mas eh KAH-sah) for "We are at home."

OTHER PHRASES
Say "Como esta usted?" for "How are you?"
Say "Yo estoy alegre." (yoh eh-STOH-ee ah-LEH-greh) for "I am happy."

GOP \$100 Dinner Sellout Seen

A sellout crowd of more than 1,000 is expected to hear Governor Ronald Reagan speak here on Friday at the San Diego County Republican's 17th annual \$100-a-plate fund-raising dinner in Hotel del Coronado.

Ticket sales had passed the 800 mark at latest report, with many returns still not reported, according to John A. McColl, banquet co-chairman in charge of tickets.

Inquiries should be directed to the San Diego County Central Committee headquarters in San Diego Trust & Savings Building, Phone 232-6701.

Proceeds from the dinner will go mostly to help finance the 1968 campaigns of state and local GOP candidates, McColl stated.

Two head tables will seat a notable array of county Republican leaderships. Congressman Bob Wilson, (R-Calif.) will be there as master of ceremonies. RADM. Leslie E. Gehres, USN (ret), will preside as chairman of the County Republican Central Committee. Incumbent office holders and prospective 1968 candidates are also expected.

S.V. Community Center On Selling List Again

Spring Valley's Community Center, at its Oct. 23 meeting, announced that the Community center in the Valley is going on the selling block for the second time in two years.

The building, adjacent to the Bancroft House Historical site at 9062 Memory lane was up for sale in January of 1966 by the Chamber of Commerce.

Eagle Kicker Subdues Matadors; Playoff Hopes Vanish With Loss

Mt. Miguel's faint hopes of possession of the pigskin late in the first quarter following a spot in the San Diego CIF playoffs vanished last Friday night, as the host Granite Hills Eagles dealt the Matadors a 14-13, victory over the Spring Valley team.

Granite Hills and Mt. Miguel fought on almost even terms the entire contest, with the Matadors making only two mistakes and the Eagles taking advantage of one of the miscues for a touchdown.

The El Cajon squad gained Mt. Miguel was able to push

the tying six-pointer late in the first half. The locals parlayed the running of Dave Storm and Jeff Buckner to set up a seven-yard touch down run by quarterback Jerry Lowery on a keeper. Bill O'Connor converted the extra point for the Matador, knotting the score at 7-7 at intermission.

The two teams battled on equal terms through the third period, before the Matadors broke the tie with an early fourth quarter touchdown. Storm broke a tackle and rammed 11 yards into the Eagle endzone for the go-ahead touchdown, but O'Connor's extra point try sailed wide and the Matadors led by only six, 13-7.

Mike Graziano plunged over from the Mt. Miguel four five minutes remaining in the Grossmont League clash to padlock the score once again. Harper then followed with the game-winning extra point as he split the uprights for the

Eagle tally.

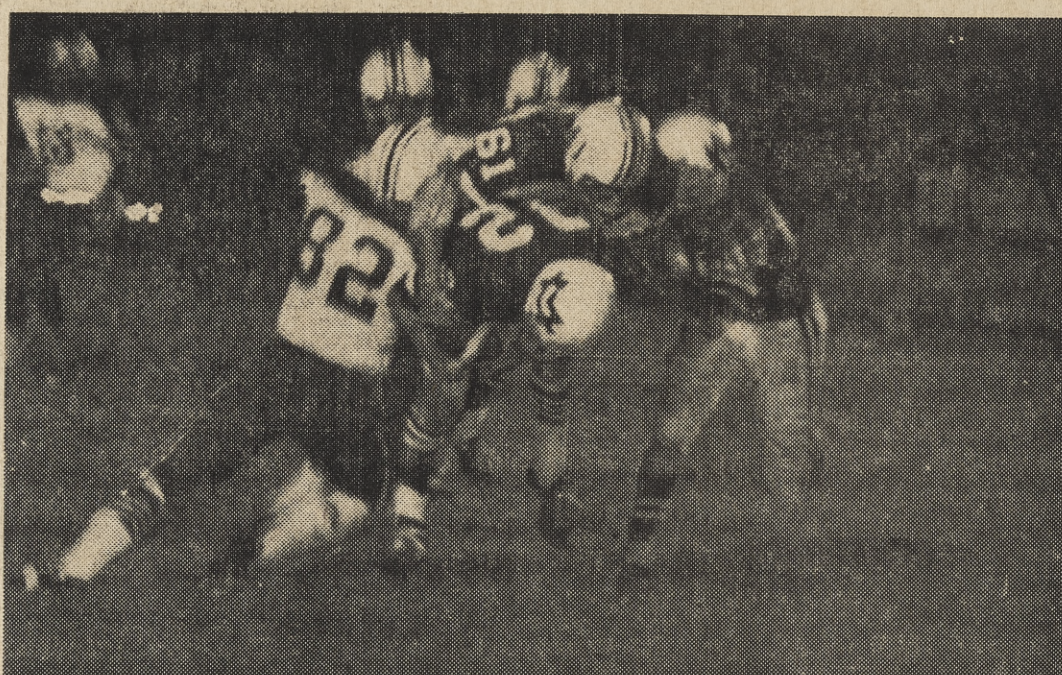

The Matadors regained possession of the ball late in the quarter, but failed to move the pigskin against the Eagles.

Statistics indicated the closeness of the game, as the Eagles led in first downs by two, 14-12, and in rushing yardage with 102 to the Matador's 93 yards.

Lowery and his receivers connected for 158 yards through the air, while the Eagles accumulated 120 by the aerial route. The Matadors lost the one fumble and also had a pass intercepted.

The loss left the locals with two defeats in Grossmont league play, while league-leaders Grossmont and Helix are undefeated. This situation virtually eliminates Mt. Miguel from any playoff possibilities.

The Matadors return home to battle El Cajon tomorrow night at Miguel Stadium. The Braves ambushed Monte Vista last Friday.

BULLDOGGING: This is the type of aggressive tackling which Helix will be using tomorrow night in their Grossmont League showdown against Grossmont at Aztec Bowl. Highlander defenders, 61 and 82, put the stop to fullback Dennis Weikel of Monte Vista in a game the Helix eleven captured easily two weeks ago.

Helix Wins Again, 20-6

Greg Gleason, Helix's talented senior quarterback, accounted for four Highlander touchdowns Friday night to lead the league-leaders to a convincing, 45-6 conquest of an outmanned Santana eleven.

The victory marked the fourth straight win in league play for the Highlanders, who dropped a decision to Hoover in non-league action for its only loss of the season.

It also set the stage for a showdown with the other undefeated team in the county circuit, Grossmont. The two teams match identical league records tomorrow night at Aztec Bowl.

Helix turned a close first half game into a rout, as the Highlanders exploded for 33 points in the final 24 minutes of action. The winners left the field at halftime with a slim 12-6 lead over the stubborn visitors.

Gleason got the Highlander offense rolling in the first quarter, passing to Bart Williamson for a 41-yard scoring aerial and running 19 yards on the keeper for another score. Santana stayed in the game with a first-quarter touchdown by quarterback Gary Honkanen on a three-yard run.

Short touchdown runs by Williamson and Greg Wofford increased the Highlander bulge early in the third stanza to 25-6. Before the quarter had ended, Gleason put the game out of reach, passing to Tony Salmon for a 14-yard six pointer.

Helix added a pair of insurance touchdowns in the fourth quarter, with Mike Vidal hauling in a 15-yard scoring toss from Gleason and Tom Boyd rambling over from the Santana 16-yard line for the other score.

Helix's hard-driving offense accounted for 311 yards in the game, while the Sultans were limited to just 91 yards total offense.

It was the homecoming game for the Highlanders.

Highlanders, Grossmont Vie In Annual Musket Competition

Both teams go into the game with unblemished Grossmont circuit status, with the Foothillers unbeaten through the entire season, and Helix showing one loss on its season record.

Grossmont will use the power running of halfback Dennis Sutton, the leading scorer in the County. Sutton covered over 300 yards on the ground in last week's victory over El Cajon, at Mt. Miguel Stadium. The Foothillers defense is also one of the strongest in the county.

Helix will rely on the passing of senior quarterback Greg Gleason and a stout defense which will attempt to limit the effectiveness of the incomparable Sutton on the ground.

To add to the excitement, this year's game will be Grossmont's Homecoming. Besides capturing the treasured musket, the winner will

Gulls at Arena Tomorrow Night

The San Diego Gulls, who moved into second place in the Western Hockey League with a sweep of their two-game weekend series against the Portland Buckaroos, return home today to prepare for tomorrow night's game against the American League Buffalo Bisons.

The Gulls played in Seattle last night with a chance to close ground on the league leaders. Buffalo opened its tour of the WHL last night in Phoenix.

The Gulls' game against Buffalo will be their second against AHL competition. San Diego lost to Cleveland, 4-3, in the first encounter.

League Races Tight at Area Bowling Lane

With winter bowling well on its way at Golden Bowl lanes, many of the teams are in a tight fight for first, second and third place standings in the various leagues.

Here are league standings, as of Monday, Oct. 30.

Mixed Sports: Claim Jumpers in first, with 19 wins, 5 losses; in second, Sauer's Egg Ranch, with 18 wins, 6 losses; and in third, Hi Fliers, with 16 wins, 8 losses.

Valley Trio: Streamliners in first, with 10 wins, 2 losses; a tie for second, between Team No. 7 and Here-Tiz, with 9 wins, 3 losses; and in third, Team No. 5, with 6 wins, 6 losses.

Paws and Squaws: Tie for first, between The Pearsome Four and Central Meat, with 18 wins, 10 losses; a tie for second, between Rat Finks and Rinky Dinks, with 16 wins, 12 losses; and C.S.C. in third, with 14 wins, 14 losses.

Golden Friendly Nugget: Harvey's Mobil in first, with 21 wins, 7 losses; Carlton Oaks Country Club in second, with 20 wins, 8 losses; and in third, Casa de Oro Texaco, with 17 wins, 11 losses.

Traillblazers: Paso Fino's in first, with 21 wins, 7 losses; Late Starters in second, with 18½ wins, 9½ losses; and a tie for third, between The Dago's and Rinky Dinks, with 14 wins, 10 losses.

Golden Nuggets: The Cascades in first, with 16 wins, 8 losses; Alley Hounds in second, with 15½ wins, 8½ losses; and a tie for third, between The Dago's and Rinky Dinks, with 14 wins, 10 losses.

Zinc and iron deficiencies have been detected in some Colorado feedstuffs. Feeding trace mineralized salt is one way to make sure these soft deficiencies don't carry over to Western livestock.

MORNING HEADACHES -- PLUS

Headaches occur with most all organic disorders. The eyes and eye strain are often blamed and as often found innocent.

Migrain is rare, though frequently mislabeled because of the nausea. Almost any violent headache can, if the pain is severe enough, cause that sickish feeling about the stomach that is so common in migrain cases.

Nervous headaches caused by female disturbances, tension and inability to relax is perhaps the most common. If you neglect these or stop them with a pain killer or tranquilizer, you are inviting trouble and future female surgery. Consider the following case from one of our clinic files as a fair example.

Violent pains in her right eye and over the entire right side of her face and in the back of her head and neck that lessened during the day but invariably greeted her upon awakening nearly every morning for as long as she could remember, finally brought this pretty twenty-nine-year-old mother to the College Grove Chiropractic Building asking for any relief we could give her. She was another previously diagnosed "migraine" case that had resisted all types of pain killers and turned to chiropractic when all other doctors' efforts were fruitless.

We found that she had chronic constipation, a very tender gall bladder, frequent nausea, extreme nervousness, no appetite, and such a serious and painful ovarian disorder that former doctors had recommended an operation as her only hope. Our spinal nerve analysis and spinal X-Rays located what others had overlooked—several vertebral misalignments interfering with nerve energy flow. This, of course, was responsible for her organic trouble which proved to be the underlying cause of her sick headaches. In due time our spinal adjustments corrected the offending nerve disturbances and her ailments gradually, but naturally, disappeared. Her appetite returned, her headaches are gone, and she now has a healthy left ovary and pleasant periods.

If other doctors have made you well, you don't need us — but if other efforts have been fruitless, such as in this case, why not investigate as she did. We made her well again, possibly we can do the same for you. Besides, what have you got to lose except your headaches and ill health.

Braves Triumph, 20-6

Monarchs Score Early, Falter In Fourth Grossmont Setback

El Cajon limited Monte Vista to just a first quarter touchdown and went on to hand the slumping Monarchs a 20-6 defeat, leaving the Spring Valley team in last place in the Grossmont League without a victory.

The setback left Monte Vista with an 0-4 league mark and in overall season record of 1-1. The Monarchs haven't tasted victory since they decided Mission Bay in their first game of the season. Since then, the locals have lost four consecutive Grossmont League games.

Maughn Kent provided the Monarchs with their lone touchdown of the game, as he amped a 70-yard Monte Vista drive with a touchdown run from the El Cajon two-yard line.

But the talented Monarch catback provided the host Braves with their final touchdown of the evening, as he

fumbled on his own three-yard line, with Mike Agundes making the recovery.

The long touchdown run proved to be the deciding factor in the league tussle, with El Cajon's Perry Gross rambling 60 and 58 yards for touchdowns. Gross also scored the final El Cajon touchdown after the fumble recovery.

The Monarchs will get another shot at the victory money in Grossmont League play tomorrow night as they travel to Helix Stadium to face the Santana Sultans. Santana owns an identical 1-4 overall record, but has gained its victory in Grossmont action.

El Cajon's victory enabled them to climb out of the league cellar, giving the Braves a 1-3 league slate and 1-4 overall. El Cajon tests Mt. Miguel tomorrow night on the Matadors gridiron.

Blower Rites Held

Funeral services for Mrs. Pearl Blower, 71, of 3027 Pearl St., Lemon Grove, were held Oct. 31 in the Chapel of Prayer, Cypress View Mortuary. Enternment was in Cypress View Mausoleum. She died Oct. 27 in a hospital.

A native of Indiana, Mrs. Blower had lived in San Diego County four years. She is survived by a daughter, Mrs. Mary Quirk of Lemon Grove; son, John Van Horn of Garden City, Calif.; a sister, Mrs. Lucille Partenski and a brother, George Butts, both out-of-state; and five grandchildren.

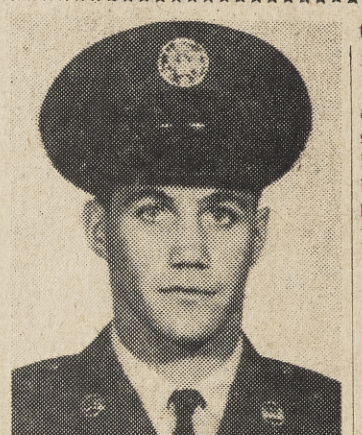

New Rates Announced For Area Phone User

Reduced rates for many out of state long distance telephone calls go into effect November 1, Pacific Telephone Manager G. B. Armstrong reminded Lemon Grove-Spring Valley customers.

The new rate schedule, filed last month by the Bell System with the Federal Communications Commission, also introduces a new "midnight-to-7 a.m." rate for dialed calls: a maximum 75-cent initial charge anywhere in the United States. Armstrong said this service is expected to be especially convenient for early morning calls to the East.
